Dear Mr. Holly,

This submission is in response to your request for additional information concerning contributions received through a joint fundraising representative, Blumenauer Century Fund.

The Committee's reports disclose joint fundraising activity correctly and completely as filed. The net transfers of fundraising proceeds from the joint fundraising committee are reported as a transfer received on Schedule A, Line 12. All gross contributions received from original donors through the joint fundraising representative are reported as "memo entries" on Schedule A, and contributions that aggregate in excess of \$200 in an election cycle are itemized. A complete review of the Committee's 2009 quarterly reports indicate that \$ 63,000 has been received through transfers from the joint fundraising representative, and \$ 67,300 has been reported received through the joint fundraising committee from original donors.

Please do not hesitate to contact me if you require further assistance.

Sincerely,

Henry Hewitt
